0 = OK, 1 = did not start, 3 = mispunch

These results have been determined from those downloaded as expected for courses two and three. The course one times have been added from the paper splits from the training printer which was used due to a failure of one of the download boxes.

Unfortunately two of the Medium runners were advised to run course one so their times for course one have been used in place of the course two or three that they missed as the distances were similar. These are marked in red.
